

## PRIMARY HEALTH CARE CORPORATION A JOURNEY OF EXCELLENCE

### Client Background

Primary Health Care Corporation (PHCC) is passionately dedicated to providing the people of Qatar exceptional health care facilities and quality services yet affordable to all.

Excellence is at the heart of every aspect of PHCC. From state of the art design and space of the facilities to the extensive list of health care services provided, PHCC wants every patient to know they are in the best possible place for care from infancy to elderly. PHCC clinics are there to support patients for the long term and values service providers who think the same. MFS are very proud to be part of this team of excellence.
